Dear Patients and Families:

Due to the severity of the coronavirus (COVID-19) pandemic and for the health and safety of the doctor, staff, and patients, we will be temporarily closed until April 6. We are following the guidelines from the American Dental Association and Centers for Disease Control and Prevention.

If you have any dental emergencies, please call the office and leave a message. Calls will be returned as soon as possible to offer guidance and support. We hope you stay healthy and well during this difficult time.

Thank You,
Dr. Paul Gleason
